

MIKAYLA LOWERY

Mikayla Grace Lowery was born in China on August 23rd, 2005 in a large city called Chong Qing. Someone took her to an orphanage where she stayed for a year. She was blessed beyond measure to be adopted by Scott and Jenny Lowery of Cartersville, Georgia, one month after her first birthday.

Mikayla spent eight years as an award-winning gymnast and began writing short stories when she was nine. She took a step back from gymnastics to focus on becoming a professional child author. She stays active with Cross Fit training and loves all forms of visual art, interior design, and calligraphy. She also plays the piano and is very active at her church. She has been an honor roll student every year in school.

Mikayla Lowery is devoted and never gives up on a goal. She is an amazing little girl with countless supporters. Charlie's Port is developing Mikayla's *Zany Zoey* series and her children's picture book *Why Do Birds Eat Bagels?*
